APPLIANCE REPAIR PROCESS

Our service vehicles are stocked with the most common parts needed to complete your repairs as quickly as possible.

- If we need to special order your part, it will be delivered to your home. When it arrives, call us to complete the repair.
- If the part is backordered, we will email you with an estimated delivery date and will notify you if that date changes. When the part arrives at our office, we will call to schedule a time to complete the repair. If the manufacturer does not have an estimated delivery date, we will offer you the option for parts not available (*see below*).
- If the part isn't available through our standard purchasing channels, we will write you a check in lieu of repair. The amount will be based on the cost of the repair (*parts & labor*).

When a check is issued instead of a repair for a part that is no longer available, that part will no longer be covered. The rest of the appliance will remain covered unless the check was issued as a result of a manufacturer's delay.

Not Included: excluded items**, items damaged by negligence, abuse, or improper use, appliance failures from rust, corrosion, or mineral buildup, cosmetic defects, missing or removable parts including detachable accessories to any covered item, trays, rollers, racks, shelves, drawers, lights (including sockets), switches if it doesn't affect functionality of unit, trim kits, vents, dryer vents, filters, flues, lock and key assemblies, computerized or internet-related features, wine chillers/wine rooms, freestanding ice makers, mini fridges, installation fees

** See general exclusions on p. 13.

PAYMENT OPTION*

Sometimes it doesn't make sense to repair an appliance that's close to the end of its useful life. Instead of completing the repair, you can request a check based on the cost of the repair. This payment option is also offered if the model or serial number cannot be read.

*On Seller Warranties, a check will be offered on proof of appliance purchase.

TERMS AND CONDITIONS

This warranty is between only the seller or buyer (referred to as “you”) of the property shown on the warranty confirmation and A.B. May (referred to as “we”).

This warranty covers only the systems and appliances noted on the warranty confirmation and located on the covered property. We will repair covered items that are in good working condition on the first date of the term of this warranty. If something can’t be fixed, we’ll provide options to replace it. See the trade pages to review coverage for each home system. Unrepairable appliances will be issued a check based on the cost of the repair (*see p. 10*). We and other companies under our direction will provide services for coverage outlined in this warranty. All covered items are subject to these terms and conditions. *See p. 13 for general exclusions and limitations.*

TERM

Seller coverage begins when we issue the warranty confirmation number and will remain active throughout the initial listing period, up to 180 days. Buyer coverage is effective on the date of closing, subject to receipt of payment, and will remain in effect for 13 months. *We reserve the right to inspect the covered property and all covered appliances and systems before issuing this warranty.*

PRICE

The base price for this warranty is \$419 for Home Warranty Plus Silver and \$509 for Home Warranty Plus Gold (*see p. 11-12 for pricing*). Payment, including required additional coverage and any optional coverage selected on the warranty confirmation, is due and payable at closing. It must be received by us within 14 days. Your payment signals the acceptance of the terms of this warranty. *Failure to make payment on time will result in suspension of service.* A home warranty may be added for up to 30 days after closing. Optional Additional Coverage and Add-on Appliance Repair Coverage (*Home Warranty Plus Gold only*) may be added for up to 45 days from closing.

Additional coverage is required for homes that have a boiler, more than one water heater, or more than two heating and cooling systems. Required coverage fees are due and payable at closing. Service to any heating and cooling system and/or water heater will not be covered without the additional required coverage. *See p. 12.*

For emergencies, we will respond within 24 hours of notification. *We define emergency as the failure of a covered item which may cause personal injury or substantial damage to property if not addressed within 24 hours of notification.* No after-hours fees apply to emergency service.

SERVICE HOURS

You need to provide access to the covered property and be present for repairs. An additional after-hours service fee of \$50 may apply for service appointments scheduled outside normal business hours.

SERVICE AREA

A.B. May serves a wide area in and around Kansas City. See a map at hw.abmay.com/about/service-areas. We will refund the payment if a Home Warranty Plus plan is registered for a home outside our service area.

SERVICE FEE

A trade service call is determined by the type of technician (*heating, cooling, plumbing, electrical, appliance*) who diagnoses and completes the repair. Service calls for different trades cannot be combined into one call or service fee. Payment is required at the time of service.

We will guarantee repairs performed under this warranty for 30 days. Exclusions are outlined in this brochure and in writing at the time of repair. RENEWAL AND TRANSFER

At our sole discretion and option, you may renew this warranty monthly at the end of your initial term. Renewal warranties continue monthly upon payment at the current renewal rate. You will be notified of any price or material changes 30 days before your renewal, and you will have the opportunity to opt out before your renewal is processed. If the covered property is sold during the terms of the warranty, you may transfer the warranty to the new home buyer (*transferee*).

Only covered items included in the home sale will continue to be covered. For a transfer to be effective, the transferee must notify us in writing of the sale and provide the transferee's contact information by emailing homewarranty@abmay.com within 30 days of closing on the covered property.

We reserve the right to inspect the covered property and all covered appliances and systems before renewing or transferring the warranty.

DISCOUNTS ON NON-COVERED ITEMS

A 15% member discount on non-covered repairs is included in your home warranty. The price quoted at the time of service will reflect this discount. For new equipment and sewer replacement, other promotions and discounts may apply.

TERMINATION

We may terminate this warranty without notice:

- If you fail to pay service call fees.
- In the event of fraud or misrepresentation by you of any fact or circumstance relating to the appliance, electrical, or mechanical systems.
- If the safety or comfort of our technicians is compromised in any way at the covered property. Upon such termination, we will refund the prorated amount of the price you paid for any time left on the term of the contract.

TERMINATION FOR NON-PAYMENT

If you fail to make any payment as required by this warranty, we may terminate the warranty without notice. You acknowledge that all services have been provided under the warranty at a discount and agree that you will be responsible for the full price of all services provided to date at the current rate for like services not provided under a warranty. We will bill you for those services, and payment will be due and payable upon receipt. If this warranty is referred for collection or legal action, you agree to pay us all interest, costs, and expenses including reasonable attorney's fees that we incur.

MODIFICATIONS

We may update the terms of this home warranty from time to time, and we will post the newest version of our brochure on our website with the date published on the final page. We will notify you directly with any material changes to your home warranty. If at any time you do not agree to the changed terms, you may cancel. PRIVACY

A.B. May respects your privacy and wants to let you know that we may use your information in an aggregated manner with your personally identifiable information removed for marketing and other similar uses.

LEGAL MATTERS

The laws of the state where the covered property is located govern the interpretation of this warranty and all other claims.

Each party waives its right to a jury trial in any court action arising among the parties under this warranty or otherwise related to this warranty, whether made by claim, counterclaim, third party claim, or otherwise.

Any proceedings to resolve or litigate any dispute in any forum will be conducted solely on an individual basis. Neither you nor we will seek to have any dispute heard as a class action, private attorney general action, or in any other proceeding in which either party acts or proposes to act in a representative capacity. A.B. May aims to resolve all claims informally if possible. All disputes must first be submitted to the other party as a formal, written complaint and allow at least 30 days for resolution. This can be emailed to resolution@abmay.com with the subject line: Formal Dispute.

SEVERABILITY AND WAIVER

If any part of this warranty is declared invalid, unenforceable or impaired in any way, the validity of the remaining portions will remain in effect as if the warranty had been executed without the invalid portion. The waiver of a breach of any term or condition of this warranty does not constitute the waiver of any other breach of the same or any other term. In order to be enforced, a waiver must be in writing, signed by the waiving party.

ENTIRE AGREEMENT

The warranty confirmation and brochure contain the entire agreement between you and us. It supersedes any prior oral or written agreement. Any modifications must be in writing signed by both parties.

"We've had the A.B. May Gold Home Warranty plan for nearly five years. It has been a fantastic investment that has brought us peace of mind when things break around the house— plumbing issues, broken dryer, washer that won't drain, ongoing maintenance of the HVAC system, etc. Their technicians are always on time, professional, and provide excellent service. HIGHLY RECOMMEND."

Jessica, Facebook

"Being a first-time homeowner, I was told horror stories of dealing with home warranty claims... My experience with A.B. May could not have been further from those stories! My technician was on time, polite, explained what he saw, and gave me options on how we could proceed with the repair or replacement. I never felt pushed to make a decision and could tell the technician had the experience, insight, and expertise that I could trust! I could not be happier with my A.B. May experience and would recommend them for service in a heartbeat."
